WINE JELLIES

Extra special tastes, featuring wines from the Niagara Region of Ontario. These perfectly balanced tastes go with a selection of fine cheeses. With our 100 ml (3.3 oz) glass jars, a little goes a long way.

CABERNET SAUVIGNON: The dark fruit flavor of Cabernet pairs exquisitely with aged cheese.

ICE WINE: A delicacy from Canada, grapes are harvested while frozen to create a sweet Iced Wine. The jelly is superb warmed up with a soft cheese or used as a glaze for vegetables.

ROSÉ WINE: The light and citrusy notes of Rosé Wine are divine with soft or cream cheeses on a cracker.

Extraordinarily delicate flavors best introduce these; the individual names perfectly describe the special tastes and flavors you will discover in each jar. So versatile... with cream cheese, charcuterie, the perfect pairing for a cheese board. 100 ml (3.3 oz) glass jars.

JALAPENO MARGARITA: Just look at the jar, see finely chopped pieces of Jalapeno pepper floating in the jelly. Your first taste sensation is smooth, tangy lime Margarita, then gently bite into one of the pieces of jalapeno for a wonderful kick of spice, a perfect match.

BLACKBERRY WHISKEY: Open the lid to discover a wonderful jelly. Taste and smell the fresh Blackberries, then discover the hints of whiskey that develop in your mouth, incredible.

ORANGE SPRITZ: Inspired by the ever popular Spritz cocktail, the pairing of slightly bitter orange flavors along with the subtle taste of sparkling wine. Wonderful with cheese and charcuterie.

SKILLETS TAKEN FROM THE OVEN ARE VERY HOT, ALWAYS PROTECT HANDS AND SURFACE WITH A HEAT PAD TO PREVENT BURNING OR DAMAGE.

CARE INSTRUCTIONS: Hand wash cast iron skillet with mild soap to preserve the natural non-stick properties in order to enjoy it for years to come.

Our skillets are pre-seasoned, but as with all cast iron, they should be gently washed, dried and then re-oiled ready for the next use. This will reduce the chances of rusting as well. Very important to never use a metal knife or utensil in the cast iron skillet, to avoid damaging the natural non-stick finish of the seasoned skillet.

DESSERT SKILLET

Our gift boxed, pre-seasoned Cast Iron Skillets are ideal for baking and serving delicious desserts, such as our latest featuring the Raccoons Bert's Peanut Butter Brownie or The Gang's S'mores, or any other of our growing collection of bestsellers included with each set.

Desserts made in a Cast Iron Skillet offer a baked exterior with a warm center. The perfect way to serve and keep piping hot. Straight from the oven to the table in the skillet, easy to share, just take a spoon and dig right in.

THE GANG'S S'MORES DIP SKILLET

This S'mores dessert dip in our cast iron skillet is so much fun to make and share. Just layer the chocolate morsels (included) add a little cream, top with a layer of mini marshmallows (also included) and bake in the oven following the simple recipe included. Serve and enjoy just like The Raccoons Gang loves to do.

NO SUGAR ADDED HOT CHOCOLATE

This collection is specially prepared for those who want to follow a healthier lifestyle and eat/drink more mindfully, but also want to enjoy the full taste of our Hot Chocolate. This collection is growing in popularity by leaps and bounds and offers all the taste you would expect from a Gourmet du Village Hot Chocolate but with "No Sugar Added." Just add hot milk and enjoy.

These No Sugar Added Hot Chocolates are sweetened with Sucralose. Although not totally sugar free, the sugars in these are naturally occurring in select ingredients. The result is a full flavored product with much lower sugar and calorie values than our regular Hot Chocolates, with the added benefit of being a good source of fiber. Only 18 mg of sucralose per 15g single serve pouch.
